

## NCSS-CD Hall of Fame Bio Jim Teeter

Few players in North County Senior Softball history have matched the all-around excellence and sustained impact of Jim Teeter.

Since joining the league in 2011, Jim has distinguished himself as one of NCSS's most accomplished players, leaders, and ambassadors. A remarkably consistent offensive force, Jim posted a staggering .735 batting average over 23 seasons spanning 2014 through 2026. He also holds the all-time single-season triples record with 15.

Known for his ability to spray the ball into open gaps at will, Jim combines elite bat control with exceptional speed and one of the strongest throwing arms the league has ever seen.

As a team manager, Jim led NCSS clubs for 12 seasons between December 2015 and February 2019, and again from December 2021 through September 2022, capturing four league championships.

Off the field, Jim served as NCSS website manager and league secretary from 2020 through 2026, helping modernize communication and strengthen league operations. He also co-chaired the NCSS Tournament from April 2019 through June 9, 2022, alongside Jim Dionne.

For more than a decade, Jim was a key member of the North County All-Star team that represented NCSS in the Monday Perris League, joining fellow Hall of Famers Don Chandler and John Woolsey in capturing at least ten regular season and tournament championships.

His tournament softball résumé is equally distinguished as a longtime Top Gun player, earning numerous All-Tournament and MVP honors. Beyond senior softball, Jim has also excelled in competitive baseball, winning multiple world championships across various age divisions.

A former accomplished racquetball player, Jim was a national champion (B level) in both singles and doubles. Jim retired after a distinguished 4-decade career with SDG&E. He also proudly served in the United States Marine Reserves for 6 years.

Jim Teeter's rare combination of athletic excellence, leadership, and service to the league firmly secures his place among NCSS's all-time greats.
