

NCSS PLAYER REPRESENTATIVE

Job Description

General Duties and Tasks

Assists in the initial choosing of teams for the new season.

Attends to the needs of Teams for additional players on game day and makes final decisions regarding who shall be re-assigned to Teams in need on game-day, based on League Rules. Only players already assigned to a team roster may be re-assigned to a team in need.

Provides timely and on-going recommendations to the Commissioner regarding Team needs for the assignment of new players or re-distribution of players to meet competitive interests for “parity and fairness” of the League during the season.

Communicates with Managers in assessing Team needs for new players and game-day players.

Reviews fields for safety and compliance with SSUSA standards.

Recommends possible improvements for the player selection (draft) process.

Monitors and reports player issues to the Commissioner during the season.

Assists in proposing revisions to player ratings.

Such other duties as assigned by the Commissioner.
