

## North County Senior Softball Covid Rules

April 6, 2021

Our use of Carlsbad fields is conditioned on following and enforcing these Covid Rules.

1. All players must carry masks in their possession and **wear masks** within 6 feet of another person.
2. When not playing in the field, all players will maintain **6 feet social distancing** or wear a mask until they are on the field waiting to bat or are batting.
3. All **coaches** will wear a mask. **Catchers** will wear a mask. **Umpires** will wear a mask unless they are able to stay at least 6 feet behind the catcher.
4. Dugout Rules: All players in the dugout will wear a mask. No more than **3 players** will be in the dugout at the same time plus the Team's scorekeeper and the Manager for a total of 5 players. Players will avoid congregating at the entrance to the dugouts. Players will spread out along the outside fence until they are on-deck or batting next behind the on-deck hitter (**2 players** only will be on the field waiting to hit.).  
We will spread the field by having all player bags spread out in the area outside the fence to help maintain the 6 feet social distancing rules. **Bags should not be placed right next to each other.** No bags will be in the dugout.
5. No one will borrow another player's bat.
6. We will have hand sanitizers available outside of each dugout during games. (Please bring your own to league batting practices.)
7. We will **avoid congregating** in social groups or pairs without wearing masks, and players will be encouraged to leave immediately after the game is over.
